# TASK 3: BUYING A BIKE

Answer all questions in this task.

Show clearly how you get your answers as marks may be given for your working out.

The same bicycle is sold in three different shops.

Here are the price labels shown on each bicycle.

Stan's Bikes	Dave's Discount Bikes	Mellors Bike Shop
£390 (inc VAT)	£312 (inc VAT)	£221
Get $\frac{1}{3}$ off ticket price	20% discount on ticket price	Add 15% VAT to ticket price

1) Work out the new prices.

2) What is the range of prices?
