

Mission impossible...

$$\begin{array}{r} 6323 \\ + 9606 \\ \hline 23256 \end{array}$$

$$\begin{array}{r} 216648 \\ - 90135 \\ \hline 13780 \end{array}$$

Both of these sums are clearly wrong ...
every digit is exactly one out ...
Can you correct them?
