

# Subtraction Code II

Match the coded letter with the amounts in the answers, to make the words to fill the blanks below.  
Put the words in the correct order so the story makes sense.

"You are what you \_\_\_\_\_ 1" is a popular saying. I'm sure \_\_\_\_\_ 2 or \_\_\_\_\_ 3 wouldn't put the wrong \_\_\_\_\_ 4 in the family \_\_\_\_\_ 5. Yet we fill our \_\_\_\_\_ 6 with the wrong kind of \_\_\_\_\_ 7.

Watch carefully the amounts of \_\_\_\_\_ 8, \_\_\_\_\_ 9 and \_\_\_\_\_ 10 you eat.
