

AT THE SUPERMARKET

Mr Gooch is doing his shopping. This is his shopping list.

- 1 Copy and complete it.
- 2 How much does Mr Gooch spend altogether?
- 3 How much does he spend on fresh fruit and vegetables? How much do the fruit and vegetables (apart from the bananas) weigh altogether?
- 4 How much does Mr Gooch spend on tinned food? On the rest of the food, apart from tinned, fruit and vegetables? On items that aren't food?
- 5 What do you spend your money on? Write down the things you buy in a typical week. Gather them into categories (bus fares, games, etc) and add up the total. How much do you spend on food?
